**PEOPLE v. FEYRER (JESSE)**

S154242 (B192752; Los Angeles County Superior Court – KA056346)  
Argued in San Francisco 1-06-10

This case presents the following issue: When, pursuant to a court-approved plea agreement with the prosecutor, a defendant pleads no contest to assault by means of force likely to produce great bodily injury (a “wobbler” offense) and admits a sentence enhancement that he personally inflicted great bodily injury in the commission of a felony, and the trial court grants defendant probation by suspending the imposition of a sentence, may the trial court subsequently reduce defendant’s wobbler offense to a misdemeanor (Pen. Code § 17, subd. (b)(3)), in addition to terminating probation early, vacating the charges, and dismissing the case based upon defendant’s good conduct on probation?
